

Assignment of rights contract for the use of digital work

I, _____ with ID number No. _____, as a photographer, writer or illustrator, and copyrights owner of _____ (number of photos, text or illustrations):

I hereby authorize *La Chueca Magazine* to include in any audiovisual system and for purposes of reproduction and public communication, materials such photographs, text or illustrations while respecting the moral right of both paternity and integrity. By this document, the photographer, writer or illustrator declares to be the total copyright owner of their work, and thus ensures that this authorization may be granted without limitation. In any case, it is liable for any claims that may arise regarding copyright, exonerating *La Chueca Magazine* of any responsibility. Also, when the picture involve people, it must have the permission of those being photographed.

The authorization granted over this material is exclusive for the issue in question, which will be used in a cultural way, and will be broadcasted through the Internet with commercial purposes by the web interactive systems, either in the country or abroad, if required.

Sincerely,
